Quality over quantity is our mantra here, choose the work you are most proud of and demonstrates how you meet our criteria. Interviews are to take place on **Thursday the 2nd of March 2023**.

About the role

As 3D designer you will work both independently and collaboratively, supporting the Exhibitions & Activations Team and ensuring that our creative work is to the highest standard.

Specific duties and responsibilities:

- Able to think and design in a 3D environment
- Ability to interpret clients brief and requirements into a 3D design
- Create 3D visuals, renders and walkthroughs
- Create construction drawings and plans suitable for downstream construction
- Create 2D print ready artwork for activation requirements
- Supervise print and construction
- Ability to understand and design within technical parameters
- Development of a strategic approach to projects.
- Oversee the creative quality of all work produced internally and sent to client
- Create concepts and communications that deliver and rationalise the client's brief.
- Direct and manage medium sized projects to keep them on-concept and on-brand and deliver from start to finish.
- Work closely with Client Services or directly with clients, as required.
- Support senior managers, project manager, & account handler
- Ability to complete projects from across the design spectrum from brief through to close

Required experience:

- High level experience 3-5 years within a creative or exhibition agency
- An impressive portfolio demonstrating a proven track record of working with 3D design
- Complete confidence in the Sketchup, AutoCAD, Adobe Creative suite
- Excellent written and verbal skills
- A mindset that is organised and detail oriented
- Familiarity with all phases of the design process and ability to work with a team through execution of all phases (strategy, conceptualisation, development, budgeting, creating proposals, client approvals, execution; and close-out)
- Excellence in client communication and customer service
- A well-crafted portfolio that demonstrates your love of design, and how strategy fuels design to meet the brief

To fit our team, you'll be:

- A confident, inspiring creative, highly experienced in design work across the board
- Experienced in working to tight deadlines within a fast-paced environment
- Passionate about creativity and its place in a commercial and deadline driven environment
- An upbeat individual that can be a team leader, but also a great team member
- Considered, but able to work at a pace and be adaptable
- Strong conceptually, demonstrating inspiring design work
- A stickler for detail, ensuring every idea is crafted beautifully to the highest standard
- Great with people - your team mates and clients - confident in presenting your ideas to both, and being a mentor to those junior to you
- A team player who follows our PRIME values
